## MESSAGE FROM THE **DEAN & HEAD** OF DEPARTMENT

I am elated to bring your attention to this year's placement brochure of the Department of Commerce, Delhi School of Economics (DSE), University of Delhi. I am delighted to share that our MBA (HRD) Programme at Delhi School of Economics was started in the year 1995 and 25 batches have passed out till date having an illustrious track record of the alumni, making it one of the most celebrated management programmes in the industry. This renowned programme was known as the Master of Human Resource and Organisational Development (MHROD) when it was launched.

To keep up with the pace of the ever-changing and dynamic requirements of the industry and the recommendation of the University Grants Commission, the academic council, executive authorities, and decision-making bodies of the University of Delhi decided to change the nomenclature of the programme to MBA (HRD). This restructuring of the course design further increased the demand for our MBA programme across the globe. It gives us immense pride that a wide range of multinational companies have our alumni in paramount positions. The programme's acceptance is largely due to the comprehensive coursework, which has been developed after a thorough discussion with the market and the key stakeholders. The exceptional pedagogy at the department assists in bridging the gap between theoretical, cognitive knowledge, and practical experience. It has been made possible with dedicated and experienced faculty members who keep on advising the industry to find solutions to their problems. Apart from the rigorous academic curriculum, here every day is enriched with industry-oriented guest lectures invited by our student bodies, which function under the guidance of experienced faculty. The distinguished alumni who have continued the tradition of excellence by bringing accolades to the Department bring a lot of diversity in the experience and exposure to our students as needed for holistic development. Our department is determined to nurture a fruitful and enriching relationship with your respected organization and is looking forward to hosting you on our campus in the coming placement season. Through this brochure, I take this opportunity to extend a warm invitation to all prospective organizations, to participate in the placement session and build an enriching relationship.

**Warm regards**

**Dr. Ajay Kumar Singh**  
**Senior Professor, Head and Dean**  
**Department of Commerce**  
**Faculty of Commerce & Business**  
**Delhi School of Economics**  
**University of Delhi**

## MESSAGE FROM THE COURSE COORDINATOR

Dear recruiters,

It gives me immense pleasure to present before you the young graduates, who will be completing their MBA (HRD) course in 2023. This batch of diverse students has experienced the rich legacy of the program which was previously known as MHROD, at a time when limited premier institutions were providing higher education that specifically focused on the domain of HR. Furthermore, the Delhi School of Economics associated with the legendary University of Delhi has enabled the Department of Commerce to shape the career of these young professionals, ensuring they are prepared to join the business teams of reputed corporate houses. As the course coordinator of the MBA (HRD) program, I can assure you that there has been a continuous focus on upskilling and reskilling these young professionals at the university, which makes them industry ready. There has been a strong emphasis on nurturing the values of learning and leading the process of transformation by being a centre of excellence and providing leadership in the field of commerce, business education, and research. Their quest for knowledge and passion for finding creative solutions is unmatched. Furthermore, their ability to innovate, negotiate and resolve conflicts is highly commendable. The pandemic has instilled a greater sense of responsibility and resilience in the batch, which is the keystone of real learning. We consider it our privilege to have played a crucial role in assessing the needs of a Master's program specializing in the domain of HR and imparting education for 27 years, making us one of the leaders in this domain. We are extremely humbled and proud of our alumni who are currently working in leadership HR roles in renowned domestic and foreign organizations. Being a state-run institution, we have been able to cater to the needs of society at large across various income strata. This has helped our students to understand the diversity of our country in a much better way as compared to many other institutions. I, on behalf of the Department of Commerce, wish them all, good luck in their future endeavours.

**Best wishes**

**Prof (Dr.) Urvashi Sharma**

**Course Coordinator MBA (HRD)**

**Faculty of Commerce and Business**

**Delhi School of Economics**

**University of Delhi**

## MESSAGE FROM THE **PLACEMENT COORDINATOR**

When excellence, innovation, and dedication become the core values of the students, even the globally impacting COVID-19 crisis won't be able to shirk their performance. Rather, I believe that exposure to such changing paradigms and the advent of more challenging and demanding scenario for young professionals will make them even more smart and strategic in their approach, thus reshaping the economy in the long term. Faculty of Commerce & Business, Delhi School of Economics, is proud to have performed beyond expectations over the past three decades and it gives me immense pleasure to introduce to you the MBA (HRD) batch of 2023. This Master's program of the Department is aimed at ensuring holistic development of the students from nourishing their skill sets to meet the dynamic needs of the industry to providing ample professional grooming so that they excel at their corporate careers. The motive is to amalgamate practical exposure through various activities, conferences, workshops, guest lectures, etc. with their analytically designed academic course so that when left in the field, they outperform and make their Alma mater proud. Highly qualified and experienced faculty as well as rigorous selection criteria for the courses offered, aims at shortlisting the cream which has both aptitude and desire to learn and speak volumes about the prestige that our institution carries. We believe in a long-lasting relationship that promises to add value to your organization by providing the best minds with an outstanding performance calibre, trained both on emotional and technical fronts, ready to serve the corporate world excellently even in the 'new normal' situation.

Looking forward to seeing you at our campus.

**Warm Regards**  
**Prof. Amit Kumar Singh**

# ABOUT US

## Our Vision

To emerge as a centre of excellence and provide leadership in the field of commerce and business education and research. Department of Commerce aims to be an institute of foremost international and national repute, cherishing the distinguished history of Delhi School of Economics that it is nestled in, while imparting world-class knowledge to its select group of competent students and turning them into key enablers of considerable pedigree, in the twin fields of Human Resources and International Business.

## Our Mission

To provide a conducive environment that holistically engages students through an all-encompassing knowledge impartation and comprehensive practical applications, thus molding them into future visionaries, management leaders that are benevolent yet efficacious, versed in toto in the leading business and human resource practices of the world and equipped to the hilt to implement themselves and adapt to the mutable global business environment.

## **ABOUT MBA-HRD**

---

**“The success and sustenance of every organization traces back to its most core and prized asset: **People!**”**

In today's world, every major corporation which wants to stay competitive and survive in a dynamic and unforgiving global economic environment realizes the importance of elevating HR to a position of primacy and power. In the liberalized framework of the Indian economy, corporate experts in human resource development are among the key personnel needed for corporate strategic planning and control.

The MBA program in Human Resource Development was started in the year 1995 (as MHROD) by the Department of Commerce, Delhi School of Economics with the objective of providing quality education to highly motivated young men and women so that they can provide professional expertise to business and industry in the fields of Human Resource and Organizational Development. Identified by NHRD and NTPC, among others, as a premiere course in the field of Human Resource, MBA(HRD) is a two-year full time professional program spread over four semesters, which combines grueling academic schedules with proactive efforts to develop new perspectives and a higher level of knowledge and understanding. Going beyond books, theories and case studies to open new windows, it helps young HR and OD experts to enter the increasingly competitive and constantly changing global economy, equipped with the ability to face every challenge head on and emerge victorious.

# STUDENT COMMITTEES

---

The MBA wing of the Department of Commerce has completely student driven multi-organ bodies, overseeing operations and activities of the student run committees. These committees are in turn entrusted with the task of the internal and external brand building along with visionary enrichment of the MBA HRD programs, through their joint efforts. They enable students to strike a fine balance between academic rigor and co-curricular activities & the resultant responsibilities which come embedded as part of brand HRD. They play an active role in charting a course for the program through extensive learning.

## ALUMNI COMMITTEE

---

The Alumni Committee serves as a catalyst for communications and engagement between alumni, the institute, and all the students for the development of lifelong camaraderie. Members of the committee participate in programme planning to promote alumni awareness, engagement, and commitment and support a strong relationship between the Alumni and current students. Some of the activities by the committees include Alumni Outreach Program, Bandhan: The mentor-mentee program, guest lectures, and Reminiscence: annual alumni dinner.

## CORPORATE RELATIONS TEAM

---

The Corporate Relations Team is the facilitator of all corporate engagements at MHROD. In addition to planning and executing a plethora of engagement activities throughout the year, the team is responsible for matching the right talent to the right organization. It does so by conducting the Summer Internship, Live Project, Winter Internship, and Final Placement activities under the guidance of Mr. Amit Kumar (Faculty In-Charge, Placement Coordinator). Entrusted with the responsibility to maintain meaningful relationships built with leading corporate houses over the years and to forge new ones, the Corporate Relations Team ensures that the legacy of MHROD as a premier management institute is preserved year after year

# DISCIPLINE COMMITTEE

---

**"Talent without discipline is like an octopus on roller skates. There's plenty of movement, but you never know if it's going to be forward, backwards or sideways."**

In this pursuit, Discipline Committee aims to create a safe and motivating environment in our institution and to bring professionalism among students by the inculcation of best practices. The committee serves as a moderator by coordinating with core committees on-campus during various corporate lectures and events to ensure proper decorum and their successful resolution. Discipline brings stability and structure into institutional conduct and also ensure that proper codes of conduct become so ingrained in the students' minds that it will aid them to play disciplinary roles as HR leaders in their respective future organizations.

## HIGHQ - THE HR CLUB

---

At HighQ, the scope of our activities extends both towards augmenting the students' curriculum-oriented classroom learning at the department, as well as helping them to explore and wander in the vast universe of HR knowledge.

This goal of achieving core HR competencies and academic excellence is fulfilled by working on three important fronts:

- Creating an atmosphere of academic rigor,
- Plugging the students' academic vulnerabilities, and
- Creating a formidable talent pool with a functional knowledge of the HR subjects.

In the process, the committee also develops a culture of collaborative learning by establishing peer-learning interdependencies among the students.

## **MEDIA OUTREACH CELL**

---

Sound communication practices are one of the basic ingredients in the process of establishment of an institution. At the same time, long term growth hinges on a visionary and a pragmatic branding and promotion strategy. Media Outreach Cell handles Communication, Branding & Promotion for the institution. This cell also manages the monthly newsletter - Harbinger and the annual journal - Jigyasa which carries various articles and inputs contributed by the students, faculty members & corporate leaders. Media Outreach Cell has expanded its sphere of activities by coordinating and working in tandem with all other cells and committees for communicating and promoting all the flagship events of respective committees happening throughout the year.

## **SANKALP**

---

**“Alone we can do so little; together we can do so much”**

With this in mind, Sankalp- the social responsibility cell of Department of Commerce was founded in 2016. The committee works with the aim of building socially responsible managers by helping students develop sensitivity towards the society and providing opportunities to apply their management skills to social problems. It also provides students a platform to give back to the society and work for social causes which they are most passionate about. Some of the activities undertaken by the committee in the past include plantation and collection drives, fundraiser, mental health workshops and orphanage visits.

# STUDENT DEVELOPMENT CELL

We at MBA (HRD) believe that a student's industrial awareness and execution capability is an imperative in today's dynamic business environment. With this belief, the Student Development Cell of MBA (HRD) works towards the enrichment of the students by providing an interface to the students, where they can make the best of the Academic and Industrial Knowledge. Around the year we organize HR Conference, management fest, orientations, workshops, seminars; and in-house activities to make the students corporate-ready. SDC is an all-inclusive centre for promoting personal and professional development among the students.

TEAM CONVENTION

## TEAM CONVENTION

With a legacy spanning over 27 years at the Department of Commerce, Team Convention is one of the oldest committees of MBA (HRD), With its core principle of "learning by doing", it organizes the Annual Business Convention- ERUDITION of the MBA Program on a grand scale. Team Convention has widened the opportunity for learning by Introducing TEDxDepartmentOfCommerce Edition. Such an event shall feature a line-up of speakers who belong to various walks of life and with inspiring career stories and make us part of a discourse that moves us to do better. Team Convention, in collaboration with the office-bearers, hosts a formal farewell "valedictory" ceremony at the end of the academic year, for the graduating seniors to give them the best of regards on behalf of the department, faculty, and the junior batch.

The committee's vision remains to facilitate the journey of students to the world of revolutionary ideas, to provide them with a platform shared by experienced professionals, knowledgeable scholars, and future HR leaders, and to create an outstanding opportunity for the branding of the department and developing the learning of its students.

# ANNUAL MANAGEMENT FEST – SYNERGY

---

Synergy is the Annual Management Fest organized by students of MBA (HRD) & MBA (IB), Department of Commerce, Delhi School of Economics. It involves the sharpest management brains across the country participating in a plethora of events and competitions that encompass various domains of management education in the fields of International Business, HR, Marketing, Finance, Strategy, and Consulting.

**Fest Events:** The fest offers 2 days of enriching experience with a host of interesting events, including core events such as:

The competitions saw participation from students of elite institutions like:

1. Faculty of Management Studies (FMS), Delhi
  2. Mudra Institute of Communications (MICA), Ahmedabad
  3. Department of Management Studies (DMS), IIT, Delhi
  4. Amity University (AU), Kolkata
  5. International Management Institute (IMI), New Delhi
  6. FORE School of Management (FSM), New Delhi
- and many more...

# ALUMNI INTERACTIONS

---

In a span of mere 26 years, MHROD (now restructured and renamed as MBA (HRD)) has successfully established itself in the industry. Its rich alumni base expands across geographies, sectors, and industries. The institute promotes a cohesive culture and believes in engaging all its alumni. Team Alumni aspires to capture the essence of the experience of the rich alumni base and direct it towards the intellectual enrichment of the blossoming minds of the attending batches. The following instrumental events are conducted round the year for the same:

## Alumni Dinner

The annual alumni dinner is a signature and highlight of DSE's social calendar. This celebratory event brings alumni, faculty, and students together for an evening of camaraderie, reconnecting, and networking over a formal supper.

## Alumni Outreach

The outreach program incorporates a progression of meets, with alumni, that are held across the nation to connect and interface with the alums based in different states/cities which strengthen MHROD's unique and vibrant alumni community.

## Mentorship Program - Bandhan

The mentorship program, Bandhan, aims at creating a synergetic relationship between alumni and the students. It features one-on-one interaction with industry experts (alumni) for the career development in the domain of student's choice, individual hand-holding, academic/case competition assistance, placement guidance, and many more.
